

Welcome to the **Doxey Parish Council** Newsletter

Welcome to the first Doxey Parish Council Newsletter.
Our aim at Doxey Parish Council is to try to make our surroundings better,
and all of us happier.

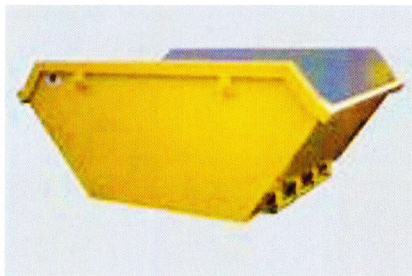

Our quarterly newsletter will attempt to inform you of events that are
going on around you in the next few months, items we are working on
for your benefit, and keep you informed.

Parish Council News

We are currently working with all parties involved in the potential new
Doctors Surgery/Pharmacy for Doxey, and will keep you
updated. Suffice to say, this is obviously something the majority of Doxey
dwellers desire, so we are doing our utmost to enable.

Defibrillators: We have paid for the secure housing and supply of 3 public
access defibrillators being placed in Doxey over the coming months. One at
The Hub (Sutton Drive), one at Doxey House on the Doxey Road, and one at
The Universal Social Club. We will be offering free training on how to use
this for anyone that wishes to attend, dates/times will be on our website
www.doxeyparishcouncil.org.uk

Facebook: We have recently decided to reach out to local residents on
Facebook and have set up a page where we will keep you all updated as to
what we are doing. Find us at www.facebook.com/doxeyparishcouncil

We want your rubbish!!!
We hire a skip regularly for residents of
the Parish to fill with their rubbish.
Posters will be displayed in various places
to keep you informed of dates and times.

Saves a tip run!! :)

Doxey Youth Club

The well established and long running Doxey Youth Club needs you!!!

If you are aged between 10-14, and live in Doxey, it is held at Doxey Parish Church on Mondays from 7.30pm - 9.00pm.

New members always welcome, come and try it, you might even enjoy yourselves :) We also seek volunteer Youth Club Leaders, the more we have, the less you have to do. For example if four people volunteer, you would do one night in every four. If twelve people volunteer, you have to do one night in twelve. We are sure there are a few people who have about 2 hours spare on a Monday evening once every few weeks.

Isabella Davies says:

"Hi everyone, this is your Doxey and Castletown Councillor and I would like to say how proud I am to be helping the community. If you need my help on anything, I can be reached via telephone 211981 or email iedavies@staffordbc.gov.uk

Also, please be careful at the junction of Baxter Green and Read Avenue, this has become a hotspot for car accidents in recent months.
